What is Fax on Demand and EZ Access Information Topics?

The Fax on Demand and EZ Access Information Topics is an automated system for employers to request tax forms and publications faxed to them. They can also listen to over 50 tax topics, or have the information in the audio messages faxed to them.

What are the benefits of using the system?

- No charge, toll-free number.
- Accessed by touch-tone telephone.
- Available within the United States and Canada.
- Available 24 hours a day, 7 days a week.

Limitations of the system:

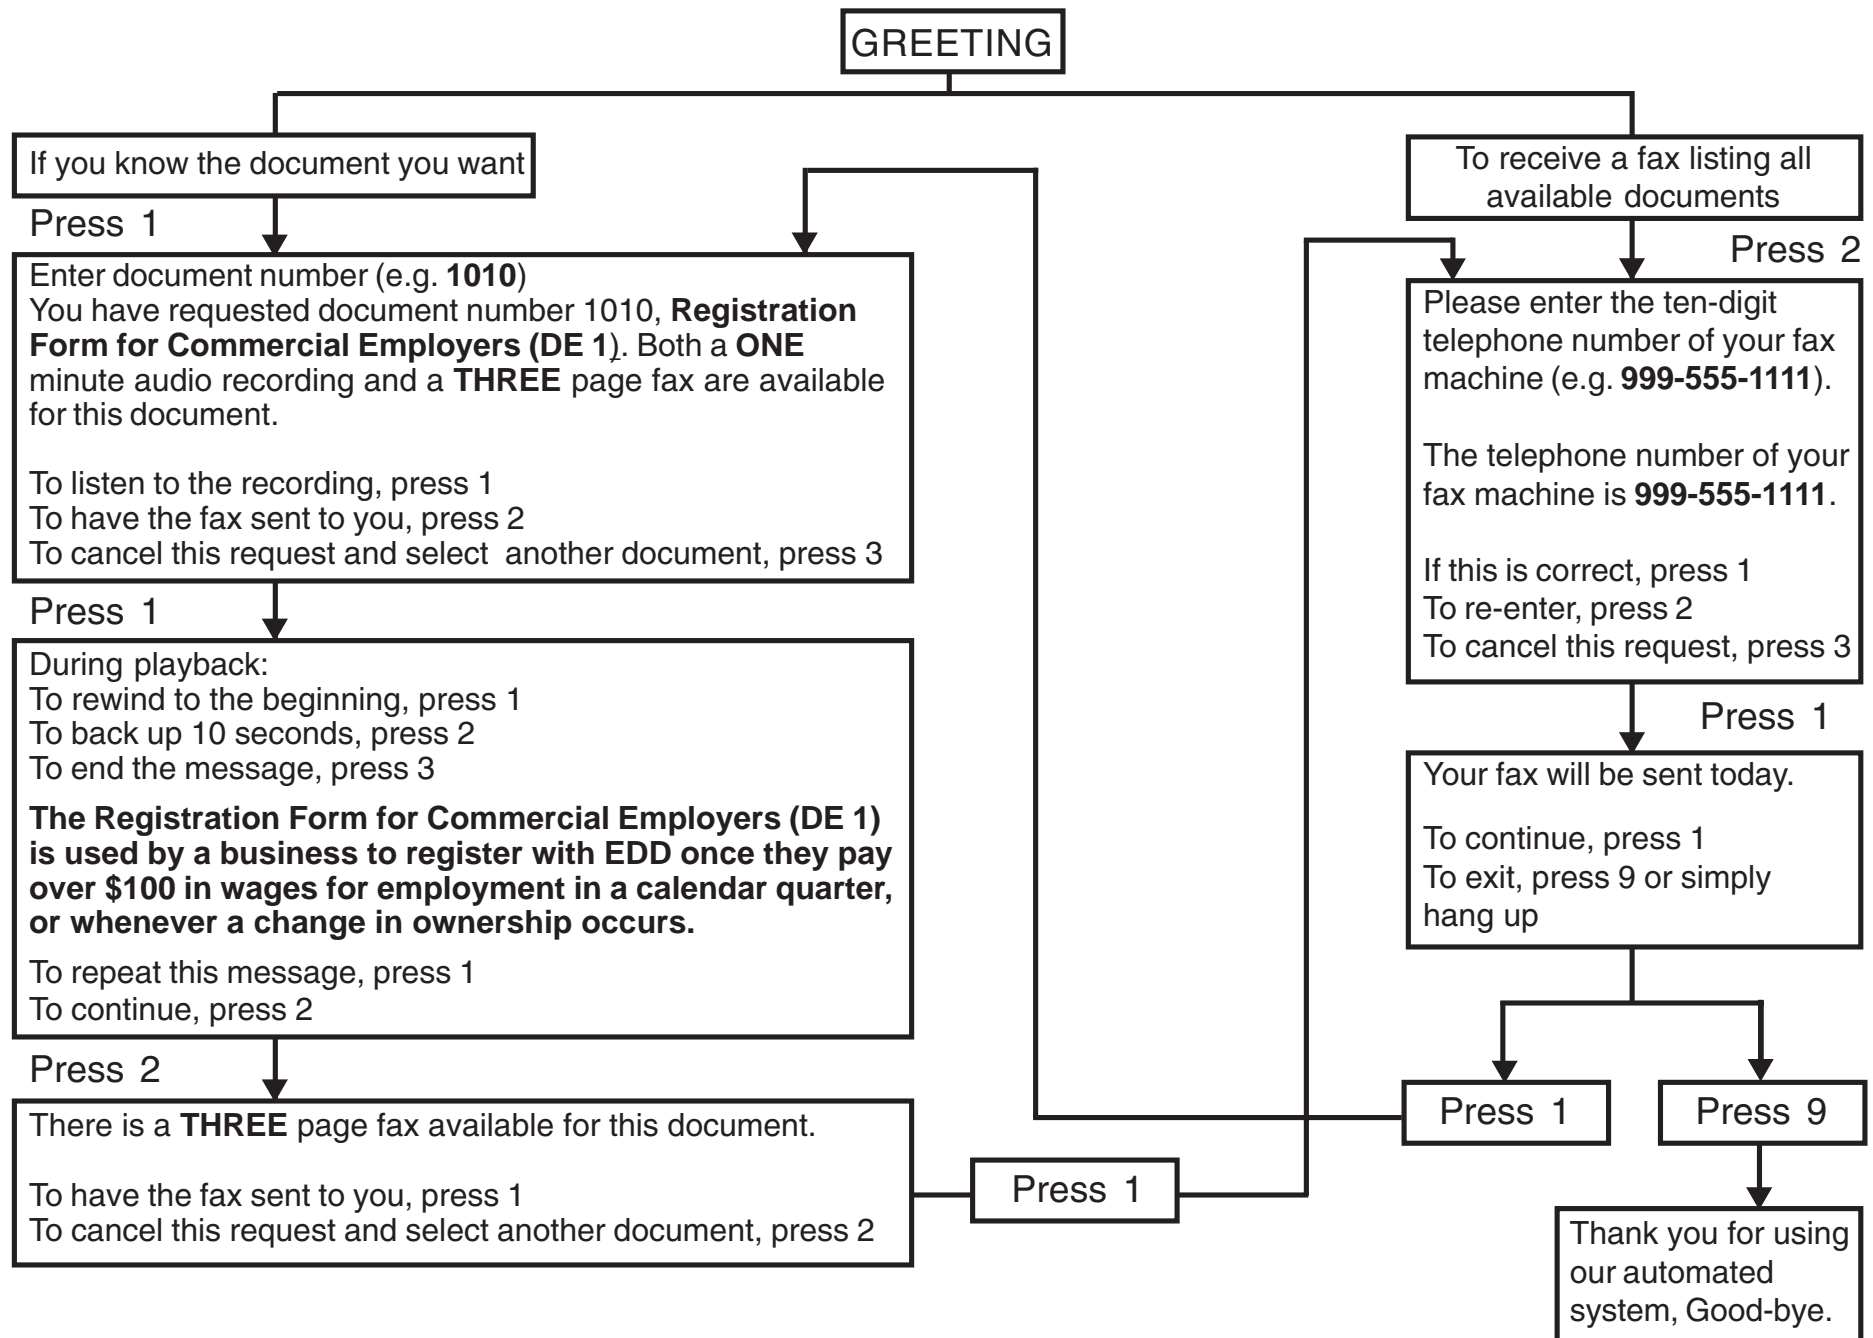

- System can not receive faxes.
- Scannable filing forms (e.g., DE 6, DE 7, DE 34, DE 88, and DE 542) are **not** available by fax as the printed version of the forms is in a “machine readable” format and uses special inks, bar coding, and alignment marks.
